Who is the average applicant?

Applicants should be at least high school graduates with some ministry experience looking to be mentored and trained before eventually going into full time ministry. While the intent to go into full time ministry is not a requirement, it is the ideal candidate.

What is the minimum age to be considered for the internship?

We require all candidates to have completed one year of college or be one year removed from high school.

Can a married person do this internship?

Yes.

Can I work at the same time?

Every financial situation is unique and we desire to be sensitive. We prefer the interns to not work because of the time commitment required. In unique circumstances, we will allow for a part-time job if it does not interfere with the time commitment.

Can I still have an internship if I don't agree with Eastminster's theology?

All interns must agree with what Eastminster considers the "Essentials of Our Faith" (eastminster.org/beliefs) in order to participate in the program.
