

## Safety protocols for Sunday morning and general facility use

- 1-mask required when entering the building. Doors are propped open for Sunday services
- 2-we suggest hand sanitizer be used when entering and leaving the building
- 3-every other pew is closed with a min of 6ft between families
- 4-leave the sanctuary in a timely manner after the service so it can be sanitized
- 5-we suggest fellowship is done outside
- 6-the sanctuary-balcony-lobby-doors-bathrooms-classrooms-chapel-student center trash cans-etc are all sanitized between each service or bible study every day
- 7-all classrooms are socially distanced and have a cleaning station in them with mask and gloves available for staff and volunteers and attendees
- 8-no buffet type snacks or coffee at this time water bottles available upon request
- 9-Proper PPE is mandatory for all facilities staff
- 10-We follow the CDC recommended protocol to prevent the spread of the COVID 19 virus
